

We created this Guide for Visitors because we know that visits from friends and family are important to our patients and, at the same time, our patients need ample time to heal and rest.

Please help us maintain the welfare of our patients – your family members and loved ones.

## GUIDELINES

**Standard Visiting Hours  
Monday–Sunday  
(including Bank Holidays)  
3pm–4pm and 6pm–8pm**

**Children under 12 should not visit** unless express permission has been obtained from the Clinical Nurse Manager / Nurse in charge of the ward.

**Each patient may have no more than two visitors at a time.** Please talk to your relatives and co-ordinate your visits.

**Visitors should stay no longer than 20 minutes at a time.** Patients need to rest to aid their recovery.

Specific arrangements are in place for the General Intensive Therapy Unit, Richmond Intensive Care Unit, St. Raphael's Childrens Ward, Emergency Department, and St. Michael's Ward. Please ring ahead for visiting hours.

**In addition...**

 **Please do not visit if...** you are suffering from colds, flu, diarrhoea, vomiting or other infections.

 **Smoking and alcohol are prohibited** on Hospital grounds.

 **Do not bring in food / beverages for patients** without prior consultation. Do not store food in or on lockers unless the food is in airtight containers.

 **Do not bring in flowers** unless the Clinical Nurse Manager / Nurse in charge of the ward has granted permission.

 **Mobile Phones may be used only where signage dictates.** The use of mobile phones can cause life support and diagnostic equipment to malfunction.

 **Photographs / videos may not be taken in the Hospital** without permission of the CEO Office. This includes photographs or videos taken with camera phones.

**Please wash your hands, and use the hand gels before and after contact with a patient.**
