Re: Annual Report 2024 and HIQA report 2024

Dear Resident and Family member,

I am delighted to attach the 2024 annual report for the Raheny Community Nursing Unit for you and your families to read. The year 2024 has been a good year for the unit and we are looking forward to 2025.

I have also attached the most recent HIQA report that was published last week, this inspection took place on 20th November 2024. We are delighted with this report which shows the high standard care the residents receive at RCNU.

Thank you for your support.

Yours sincerely

Sharon Trehy,
Director of Nursing
